Volac Announces Opening of Its New Headquarters

TUESDAY, JUNE 26, 2012

Tags: Events(1)

The event, which was attended by key figures from within the industry and local community, provided an opportunity for Volac to not only celebrate its pioneering achievements and recent growth, but also share its long-term vision for the future sustainability of the UK dairy industry.

Azerbaijan again tries to transform economic event into political battlefield?

MONDAY, JUNE 25, 2012

Tags: Events(1)

Baku has repeatedly tried to use the Black Sea Economic Cooperation as a platform to push its political complaints.

NOFA-NY Organic Research Symposium Videos Posted

SUNDAY, JUNE 24, 2012

Tags: Events(1), Agriculture(1)

... The inaugural event took place in Saratoga Springs in January 2012, in conjunction with NOFA's Winter Conference. By all accounts, it was a great success. Farmers, researchers and students were able to interact, exchange information and learn from one another...

HIGHLAND SHOW: Industry appeals for more beef

FRIDAY, JUNE 22, 2012

Tags: Events(1)

"More beef" was the plea which echoed round the Royal Highland Showground on the first day of the event.

Andrew Blenkiron ponders the future of Cereals

FRIDAY, JUNE 22, 2012

Tags: Cambridgeshire(1), Events(1), Cereals(2)

Was it just me or was this year's Cereal event a bit flat? Was it the fact that all of those in the Cambridgeshire Mafia had to travel north yet again or was it the weather?

Ohanyan to attend CIS Defense Ministers' Council session

FRIDAY, JUNE 22, 2012

Tags: Russia(1), Events(1)

The event will focus on joint use of Russia's military orbital group and space vehicles in the interests of CIS armies.

Paice comments on Scottish referendum at RHS

FRIDAY, JUNE 22, 2012

Tags: Scotland(1), Events(1), Agricultural policy(1)

The attendance of farm minister Jim Paice in the opening hours of the Royal Highland Show brought
